How the Concept Works

The idea behind Gateway Orillia is multifaceted and deeply rooted in its mission to foster a sense of belonging among locals while promoting healthy lifestyles. The complex offers an extensive range of facilities, including:

- An indoor aquatic centre with a 25-metre competition pool, splash pad for kids, and hot tub
- A fitness area equipped with the latest exercise equipment and free weights
- Indoor ice rinks for hockey, skating lessons, and broomball
- Multi-purpose sports fields for soccer, football, lacrosse, and other team sports
- Hiking trails and nature areas surrounding the complex
- Event spaces hosting weddings, conferences, and community gatherings

Gateway Orillia is designed to cater to diverse demographics by offering programs tailored specifically for:

- Children: after-school activities, day camps, and swimming lessons
- Adults: fitness classes, aquatic therapy sessions, and recreational leagues (e.g., hockey, soccer)
- Seniors: gentle exercises, art workshops, and social gatherings
