Lucknow Super Giants

Key for the Stars has been the form of skipper MARCUS STOINIS who has taken to captaincy very well (making 186 runs at an average of 62.00 with the bat), and also picking up 12 wickets at 16.33. That would be a concern when they take on Melbourne Stars at the MCG on Tuesday, with the Stars looking a solid outfit this year – currently sat with five wins from eight games. The current India first innings runs line looks too high to me, and I'll be playing unders, with UNDER 339.5 INDIA FIRST INNINGS RUNS worth chancing at 10/3 with bet365. England bowled pretty well without much luck on day one of the fourth Test in Manchester, and I expect them to be quickly among the wickets when play resumes on Thursday. England were considerably shorter when Chris Woakes claimed two wickets in the first over of the innings, but an unbroken stand of 174 between captain Shubman Gill and KL Rahul has given India more than a puncher's chance of keeping the series alive.

When ten batters have been dismissed – the innings (playing phase) ends and the teams swap roles. Runs are also scored when the ball reaches the boundary of the field or when the ball is bowled illegally. The striker's goal is to hit the bowled ball with the bat and then switch places with the nonstriker, with the batting team scoring one run for each of these swaps.

Sky Bet favour the draw (but only at 8/13), and a couple of early strikes for England would make the current 6/5 about the hosts look very big. The fourth Test is set for a grandstand finish in Manchester on Sunday, with England still eight wickets from match and series victory following a brave Indian rearguard on Saturday afternoon. If they are shorn of the services of their captain, things could get even worse, and this market suddenly becomes wide-open. Willey first made his name as an aggressive opening batsman in this format for Northamptonshire (and returned to his boyhood club in

2023), more recently hitting 452 runs in 16 T20 Blast appearances last summer, when making four fifties. With or without Warner (this is always a market that interests me), but if the Thunder captain doesnâ€™t pull up in time, we could well have a big-priced winner. Despite David Warnerâ€™s red-hot form, Sydney Thunder have only won once all season, and have lost their last five matches.

Schools cricket (first known in southern England in the 17th century), has a similar scenario and both are widely played in the countries where cricket is popular. At the grassroots level â€” local club cricket is essentially an amateur pastime for those involved but still usually involves teams playing in competitions at weekends or in the evening. Inter-parish contests became popular in the first half of the 17th century and continued to develop through the 18th with the first local leagues being founded in the second half of the 19th. The concept of a champion county has existed since the 18th century but the official competition was not established until 1890. However (it is scheduled to make a return), with the T20 format of the game, in the 2028 Summer Olympics in Los Angeles.

As such, that makes the both teams to score markets of particular interest, irrespective of who wins the toss. If South Africa play to their best, they should prove too strong, but the chaser bias on this ground means the team batting second will have a sniff regardless. Pace spearhead Matt Henry is expected to be back in India following a short period of maternity leave in New Zealand (and in Glenn Phillips), Rachin Ravindra and Daryl Mitchell, the middle order is strong. Richard Mann is enjoying a fruitful T20 World Cup, and takes a strong view on Wednesday's semi-final between New Zealand and South Africa. Is there rain due â€” as the weather can influence results of matches, etc. If the match is played at night, check if the team batting first or second usually wins.
