The screenshot shows a mobile application interface for betting. At the top, there's a navigation bar with a logo on the left and a button labeled "Как играть?" (How to play?) on the right. Below the navigation bar, there are three tabs: "Все ставки" (All bets), "Мои ставки" (My bets), and "Топ" (Top). The "Все ставки" tab is currently selected. Under this tab, the text "ВСЕ СТАВКИ" (ALL BETS) is displayed, followed by a large number "3170". To the right of this text is a button labeled "Предыдущий" (Previous). Below this header section is a table listing individual bets. The table has four columns: "Игрок" (Player), "Ставка, USD" (Bet, USD), "X" (Odds), and "Вывести, USD" (Withdraw, USD). The table contains 18 rows of bet data. Each row starts with a circular profile picture of the player, followed by their username, the bet amount in USD, the odds, and the withdrawable amount in USD. A diagonal watermark reading "default watermark" is visible across the middle of the table. At the bottom of the screen, there is a footer area containing the text "Page 6" on the left and "Footer Tagline" on the right.
